THE TARGET - COLLECT 24,000 PAIRS OF SHOES BY 24/12/2011

Adults and children in developing countries are exposed to a myriad of infections, some of which are simply caused by cuts and scratches obtained while not wearing shoes. In Australia, with access to clean water and good medications, cuts and scratches do not usually pose a major threat. However, in countries like Kenya and Tanzania, an infected cut on a person's foot can be deadly.

Approximately 300 million children globally do not own a pair of shoes.

What are we doing:

We are collecting your gently worn and new shoes.

How can you get involved:

Simply choose a pair of your gently worn shoes or purchase some new ones, tie the laces or secure each pair with a rubber band and drop them in to **Fisher Jeffries**, Level 1, 19 Gouger Street, Adelaide, open Monday to Friday - 8.00am to 5.00pm.

Alternatively, you can drop your shoes in to **Levant**, 131 Goodwood Road, Goodwood open:

Tuesday & Wednesday - 10.00am to 5.00pm
Thursday - 9.00am to 6.00pm
Friday - 9.00am to 5.00pm
Saturday - 9.00am to 4.00pm
Sunday - 11.00am to 3.00pm

The goal:

Help The Butterfly Movement collect 24,000 pairs of shoes by 24 December 2011 to ship to East Africa
